

Roof Window Maintenance Kits

Keylite Maintenance Kits are perfect for prolonging the life expectancy of your Roof Windows.

Features

- ▶ **Full Range** - Keylite Maintenance Kits are supplied with a range of products that can be used to conduct the following remedial works;
 - ▶ Repair a scratch to the timber.
 - ▶ Replace the Hood Flashing's air filter.
 - ▶ Lubricate the Frame Hinges.
 - ▶ Paint your White Finish window(s).
 - ▶ Apply a shiny new coat of clear lacquer to Pine Finish Window(s).
 - ▶ Repair a scratch to the external flashing components.
- ▶ **Ease of Use** – Included within all of the Keylite Maintenance Kits is a simplistic step-by-step user manual which has been designed in such a way that many of these minor works can be completed without the use of a skilled tradesperson.

Application

- ▶ Keylite Maintenance Kits should be applied where necessary. Neglect of correct maintenance practices on the Roof Windows and Flashings could result in the warranty of the product(s) being void.
- ▶ For further information on Keylite Maintenance Kits or their application, please contact the Keylite Technical Department.

Guarantee

- ▶ **3 Years** – Keylite's hassle free guarantee on accessories.
